

Dear Ben,

I would like to thank you for a year full of activities and fun for our diverse groups.

From scavenger hunt race in the streets of Jaffa for an incentive group, via sports activities for a Bar Mitzvah group ,through paintball and ODT activity day for a youth group,  
via beach night party – ending with an IDF experience day for an adult group- you make it all come true.

The sky is the limit- we can imagine and you will execute with an experienced staff and a lot of class.

Thank you for all – here's to 2017 – another year work and cooperation.

Best Regards,
